UNBROKEN: THE MYTH OF RED BULL ERZBERGRODEO

Even after more than three decades, the **MYTH OF RED BULL ERZBERGRODEO** has not lost its strong attraction. The internationally unique event is regarded as the world's most renowned Extreme Enduro. 2027 will see the 31st edition of Red Bull Erzbergrodeo.

Each year, thousands of ambitious dirtbike athletes from all over the world get on their way to make a picturesque town in the heart of Austria become the pulsing epicentre of the international motorcycle offroad sports community.

They trade thousands of miles of travel for four days of adrenaline, sweat, party and - disappointment. Because at the end of the day only a handful of riders will conquer the superior „Iron Giant“.

TOUGHER THAN IRON is way more than just a phrase - this motto perfectly describes the motivation of thousands of competitors, tens of thousands of spectators and up to 800 crew workers behind the event to enthusiastically take on the challenges provided by Red Bull Erzbergrodeo since everything started in 1995.

EXTREME

EXTREMESPORTS

The Red Bull Erzbergrodeo is undisputedly the largest and most prestigious event on the international extreme enduro calendar. The combination of the toughest sporting challenge and a unique festival atmosphere attracts the world's best offroad motorcycle athletes.

Top riders from all the renowned factory teams line up shoulder to shoulder with ambitious amateur athletes at the start of these technically very demanding races.

From the opening steep slope race to the high-speed prologue race on the Erzberg trails to the Red Bull Erzbergrodeo Main Race, all participants and visitors are treated to extreme sports at the highest level.
